symbiosisnursing@scon.edu.in

Symbiosis International University (SIU)

Prof. Dr. S.B. Mujumdar established Symbiosis in 1971 on the principles of Vedic thought of 'World is One Family' and is resplendent of the activities and students of several countries.

Symbiosis is a family of 46 academic institutions, imparting quality education for over 40 years. It is host to over 27,000 Indian and International students on campus.

The University offers 109 programmes at Diploma, Under/Post graduate and Doctoral levels. The Symbiosis International University has 31 institutes spread across campuses located in Pune, Nasik, Bengaluru, Noida and Hyderabad.

These campuses epitomize the Symbiosis vision, '**Promoting International Understanding through Quality Education**' and are a beehive of international students from all across the globe, being privy to Indian culture and hospitality.

Symbiosis College of Nursing (SCON)

SCON was established in the year 2007 with an aim to create leaders in the nursing profession by providing unique, innovative programme that are responsive to the market needs. The college is recognized by Indian Nursing Council, New Delhi and Maharashtra Nursing Council, Mumbai. The programme offered by the college ensure numerous career avenues for a graduate and post graduate nurse in the healthcare industry across the world. Symbiosis College of Nursing thus aims to create a benchmark in nursing education in India. The overall aim of nursing programme is to prepare a Graduate Nurse to work as frontline worker in the clinical and community field and educational arena.

Conference Theme

A Midwife is recognized as a responsible and accountable professional, who works in partnership with women to give necessary support, care and advice during pregnancy, labour and postpartum period. But the practice needs to be evaluated periodically for being scientifically sound and evidence based, and whether in-touch with the latest and cost effective techniques for the client and for the nation at large. In order to achieve this, Symbiosis College of Nursing is conducting a National Conference on Nov 28 & 29, 2016 on **Reinforcement of Midwifery Services - Recent Advances in Maternal and Neonatal Care.**

Aim

The participants attending the Conference will be able to reinforce their knowledge and skill with the recent advances taking place in the field of Midwifery practice.
