Summary of Feedback Analysis and Action Taken:																																									
Sr. No	Particulars / Action Point	Action Taken																																							
1	9.5 % of students have reported that, the topics were overlapping with the courses taught earlier, like pharmacology	Director along with subject in charge has interacted with the students regarding the feedback given by the students. Student made to understand that, in 1 st year BSc Nursing only terminology and very basics discussed about pharmacology.

(Established under section 3 of the UGC Act, 1956 vide notification No.F.9-12/2001-U3 Government of India)
 Re-Accredited by NAAC with 'A' grade

Founder: Prof. Dr. S. B. Mujumdar, M.Sc., Ph.D. (Awarded Padma Bhushan and Padma Shri by President of India)

		In second year in detail and depth information regarding medicines, actions, route of administration, side effects and nursing monument was discussed.
2	I was informed about our expected competencies, course outcomes (CO) and programme outcomes (PO). 14 % of the students were said it was not informed.	Some students were not clear and not known difference between objectives of the subject and course. In meeting, class coordinator and subject in charges have given clear information regarding competencies, course outcomes (CQ) and programme outcomes (PQ). Director Madam has informed all faculty members to use the terminology of course outcomes (CO) and programme outcomes (PO) instead of objectives.
3	Adequate co-curricular learning Opportunities are provided to me to support the curricular learning 10% of students were disagreed for above statement.	In meeting, a few students mentioned that, only some selected students were sent for quiz, regional /national level Co-curricular activities. Therefore, it was decided that, from this academic year onwards, class coordinator will ensure for all students participation co-curricular activities as per the student's interest and ability.
4	Would you recommend any new course / topic to be added in the structure? 24 % of students said no for above statement	Students have mentioned that, already they have 855 hrs. of practical and 630 hrs. theory in 2nd year BSc Nursing programme with many assignments. Therefore, they suggested not to add new courses in 2 nd year BSc nursing.
5	The topics were overlapping with the courses taught earlier during the semester. 18 % of the students said overlapping	Director along with subject in charge interacted with students regarding the feedback. Student made to understand that, in 1 st year BSc Nursing and 2 nd year BSc Nursing, only terminology and very basics discussed
6	Adequate co-curricular learning Opportunities are provided to me to support the curricular learning 11 % of the students said disagreed for above statement	In meeting, a few students mentioned, that, only some selected students given an opportunity to participate co-curricular activities. Therefore, it was decided that, from this academic year onwards, class coordinator will ensure for all students participation co-curricular activities as per the student's interest and ability.
7	Would you recommend any new course / topic to be added in the structure? 11% of the students disagreed	Students have mentioned that, already they have stipulated theory and practical hours with many assignments. in 3 rd year BSc Nursing programme Therefore, they suggested to not to add new courses in 2nd year BSc nursing programme. They are comfortable with only IDMP as an extra course

Summary of Feedback Analysis and Action Taken:		
Sr. No	Particulars / Action Point	Action Taken
1.	Current updates in Specialization topics can be added in the syllabus	Updated topics from respective course syllabus will be added and approved by BoS in the coming Academic year.
2.	Biophysics subject is not of much use for the students, it can be suggested to the statutory body to give less weightage to this subject	As this subject is laid down by Statutory body, so at college level no changes can be done. Statutory body is already working on Programme revision
3.	Over all curriculum for each programme is effective but they should have their more hands-on skills. There should be more exposed to practical part	Academic year 2019 -20 Academic and Clinical Planning is done keeping this point in consideration.
