“Celebrating Nursing-Verily International Nurses Year 2020”

Webinar on

THEME: VOICE TO LEAD – NURSING THE WORLD TO HEALTH

Conduct of event:Zoom Online

Tuesday ,May 12, 2020

Time: 1000 – 1245 hrs.

Symbiosis College of Nursing (SCON) has organized a Webinar on the theme **Voice to Lead – Nursing the World to Health** dated on **May 12, 2020** in an outlook to celebrate **International Nurses Year 2020** under the leadership of Dr. Sharadha Ramesh, Director, SCON.

The Webinar aimed to provide the nursing students and nursing officers with an ocean of information about the career opportunities available all over the world after pandemic of Covid -19. As per the present scenario with outbreak of Covid 19 many young nurses and students are in dilemma about the global opportunities for nurses. To clear the doubts Symbiosis College of Nursing taken an initiative to organize this webinar

The Webinar was organized by using Zoom web platform. The webinar began at 1000 – 1300 hrs.

Dr. Sujata. S, Associate Professor California State University, Fresno, USA joined us by Zoom. Shared her experience regarding Nursing BC & AC- Boon or Bane-(Before and After Covid 19). Madam has described the current position of nurses working in hospitals of USA and briefed the Preventive measures, currently taking over by the health care system of USA.

Mr. Salman Marchant, Freelancer Consultant, Total Health Agency , London , UK joined us in Zoom. He is an alumnus of SCON from first batch of P.B.B.Sc Nursing Programme. He gave a clear view to the delegates about steps required to migrate to UK after the pandemic of Covid -19.

Dr. Sharadha Ramesh and her team members have prepared a short film. In the video all our faculty, Director and Dean had saluted to Covid – 19 warriors. This video was dedicated to staff of SUHRC and Nurses across the globe who are being involved in fighting the Covid- 19.

It was followed by the Inauguration ceremony, Dr Rajiv Yeravdekar, Dean FoHS, SIU, **Dr. Vijay Natarajan**, CEO, SUHRC and **Mrs. Praissy Varghese**, Head Nursing , SUHRC are the special invitees from symbiosis family , had joined us by Web zoom to inaugurate the Webinar. E-lamp was lighted by all our dignitaries.

Dr, Rajiv Yeravdekar, Dean, FoHS, SIU had welcomed the gathering. Sir has appreciated the efforts of Dr. Sharadha Ramesh and her team for conducting this webinar in this out break period. Sir has expressed his feelings about the video , the back ground song says “**Teri Mitti**” which was devoted to all nurses working in SUHRC and all across the globe, it has caused goose bumps and made overwhelmed. Specially the lines of the song “**Sarhadpe rang khaki se jab saafedhuwa** “it makes feel proud to be a part of healthcare delivery system. Sir has also stated about the importance of nurses in the hospitals, He appreciated all nurses as they are very hardworking, passionate and devoted towards the patient care. Once again he thanked and congratulated the team of Symbiosis College of Nursing for converting pandemic calamity as an opportunity for nurses on a common platform by organizing this meaningful webinar.

Dr. Vijay Natarajan, CEO, SUHRC had wished the nursing gathering. He has stated that, it was a wonderful opportunity to gather such a huge gathering through web platform. He has appreciated all nurses and mentioned that, nurses play a tremendous roles and qualities in the hospitals, they are idols for care, sympathy, empathy in health care system. He shared his experience and importance of nurses in the hospital, especially during outbreak of Covid 19. He has mentioned that, when SUHRC was identified as a nodal hospital for providing the treatment and care for Covid-19 patients, nurses who stood in first line to receive patients and deliver the nursing care services to these patients. In our hospital all nurses are very provident and dedicated, wearing PPE is the most difficult task during taking care of patients with Covid – 19 for too many hours, and he saluted all nurses for the same.

Mrs. Praissy Varghese, Head Nursing, SUHRC has shared her field of vision to enlighten the Nursing delegates about their profession on International Nurses Day 2020.

She has congratulated all nursing fraternity for this wonderful day and she illuminated that, nurse is a person who is strong enough to tolerate anything and soft enough to understand anyone among health care team members. She explained about the work path, Passion and devotion in care by founder of nursing - Florence Nightingale –The Lady with lamp. She has appreciated the nurses, who has put their lives at risk and coming forward to provide the care for Covid -19 patients. She thanked Prime Minister Sir for extending enormous support and facilities for health care professionals.

SCON has conducted quiz and poster competition for all nursing students and staff nurses working in hospitals across India. SCON witnessed tremendous response for the same. The winners of quiz and poster competitions were announced in the august of dignitaries in web platform. Report of tele counseling to the nurses across India, which was done by the SCON faculty also was presented during inauguration.

Inauguration was followed by a talk by **Mr. Priyen Potnis**, National Director, Remedium. He explained about the Placement opportunities for nurses in NHS after pandemic of Covid-19. It was an interactive and informative session.

Brig. Amita Devrani, Principal, AFMC College of Nursing, Pune has explained about the Army Nursing & Health Care- Crisis Management in Pandemic. She also explained the challenging life of a military nurse and the huge benefits of joining the force. She detailed the steps to be taken by a civil nurse to get into service.

This Webinar was successful in imparting a right way to think before deciding on what to do and what to choose. It was an enlightening session for the students, nursing staff and all who attended. It was also thrilling to interact with experts nationally and internationally on the web board. 537 delegates benefitted from the Webinar. Certificates were distributed to all those who have participated. The Webinar ended with National Anthem.

BIODATA:

Mr. Priyen Potnis
Current Designation - National Director - Remedium

After completing Mtech in Biotechnology and getting a year of experience in research under my belt, I turned my attention towards recruitment.

Philip Braham and David Green founded Remedium in 2013 in a tiny garage shed and since then we have grown tremendously with offices now in Scotland, London and Mumbai

In 2016, I set up Remedium's international headquarters at Mumbai, India and built the operations for Asia Pacific region.

Since then I have been meeting Heads of Departments, Deans of Medical colleges at hospitals across the country and helping doctors and nurses understand their opportunities in the NHS, UK.

I have personally helped more than 200 doctors to join the NHS, hosted several academic seminars in the country and our company has recruited more than 1100 doctors in the last four years.
