REPORT OF OBG SEMINAR

Theme: Gender Equity and Maternal Health In India: Trends And Issues

Date: 4/12/2019 (Wednesday)

Venue: Faculty of Health Science Auditorium, SB Road, Pune- 411004

Symbiosis College of Nursing organized a Seminar on **Gender Equity and Maternal Health In India: Trends And Issues**. 131 delegates have attended the Seminar. The delegates who were present for the Seminar were nursing students, nursing faculty, trained nurses working in different hospitals and nursing colleges in Pune. A few delegates also have represented from engineering and arts and Commerce Colleges Pune.

The concept note of the seminar : Gender equity is defined and perpetuated by social norms and culture and reflects differences in power between men and women both within the household and in the wider society. The impact includes relatively higher rate of poverty and lower level of education among women than men do. Women lack autonomy and mobility, intimate partner violence and overall lower social status and disempowerment of women relative to men. Gender equity and women's low social status disempowerment significantly affect women's health. This increases the overall demand on maternal health services in India.

The Seminar was commenced on **Dec 4, 2019 at 8am** with registration of delegates followed by a series of sessions taken by **the speakers**

The first session was taken by **Dr. Uma Wankhede**, Professor, BJ Medical College, Pune on the topic **Pre-Conception and Pre-Natal Diagnostic Techniques (PCPNDT) Act – Updates**. The topic was very well taken and participants were well informed about the topic

The second topic was taken by **Dr. Manika Kamthan**, Asst. Professor, Symbiosis Law School, on the topic **Maternal child birth rights, challenges and legal issues among Transgender, Lesbian and Gay**.

The third topic was dealt by **Dr Bharati Dhorepatil**, President, POGS, IVF Consultant, Pune on the topic **ART and Surrogacy**. The session was excellent and madam has explained all the updates in regards to above topic

The Seminar was formally inaugurated on Dec 04, 2019 at 11am. Dr Bharati Dhorepatil, President, POGS was the Chief guest on the occasion and Dr. Sharadha Ramesh, Director, SCON, Chairperson for OBG Seminar, Dr. Joshi SG, Professor, SCON and Dr. Seeta Devi graced the occasion. Dr. Dorepatil Madam, has emphasized on Midwives are one special group of clinical practitioners who work not because they need to work but they have a passion for their profession, they actually care for their special clients, because they are not sick but they are giving birth to a new life. The clinician is dependent on nurses to deliver quality of care to the mother and child. She appreciated the theme and topic of the Seminar. She expressed her desire to associate with SCON in forthcoming academic activities.

The forth session was panel discussion, the chairperson was Dr. Sharadha Ramesh, Director, SCON and panel members were Dr. Joshi SG, Prof. SCON, Dr Seeta Devi, Asst. Prof. SCON, and Ms. Deepa Patil, Tutor, SCON.

Dr. Sharadha Ramesh, Director, SCON dealt with the topic on Adoption policy current updates, it was commendable and appreciated by all our delegates.

Dr. Joshi SG, Prof. SCON, Dr Seeta Devi, Asst. Prof. SCON, and Ms. Deepa Patil, Tutor, SCON discussed on the topics Birth companion boon/bane?, MTP Updates, Human Breast Milk Bank,, Emergency contraception, and No Scalpel vasectomy (NSV). The Discussions went on very well.

The Valedictory session was presided over by Dr. Sharadha Ramesh, Director, SCON. Representatives from the delegates presented their feedback on the Seminar topics conducted; this was followed by award of certificates to the delegates. The session concluded with the vote of thanks followed by National Anthem.
