Nurses have an opportunity to work and study in the state and central government like DMER, DHS, Railways, MNS, industries, airlines, aerospace, ESI etc., and across the globe like Europe, UK, USA, UAE etc. Nursing students and junior nursing officers in Maharashtra are eager to acquire vast information regarding career opportunities available at national and international forums and across the nations.

In this webinar, our alumni, nurse experts and recruiting agencies across the globe will be interacting with the delegates through a web network. It will facilitate a wonderful opportunity for delegates to understand the process of international, national placements and inspiring living style and facilities provided for nursing officers in various sectors.

This web interaction will provide the nursing students and nursing officers with an ocean of information about the career opportunities available all over the world. Before venturing to the career, this interactive platform will help them to identify the inspiring career- dream destinations.

In regard to this, SCON is privileged and honored to invite you as one of the speakers during this webinar.

We would be happy if you will share your expertise opinion on the following topic;

Topic : Hot & Happening Placement @ AIIMS/Railway /NORCET/other central jobs
